

POD-V2 Inflatable Pod

- Instant self-inflating pod captures any overspray for a totally clean room
- Puncture proof, guaranteed to inflate every time
- Machine-washable for convenience & hygiene
- Waterproof base & extended step-out protect the floor
- Flexible walls can be manipulated to fit into more confined spaces
- Can only be used with POD-V2 Extraction
- Open air outlets to deflate in seconds

Machine-washable

Dimensions

	Width (cm)	Depth (cm)	Height (cm)
Workstation	30	35	70
Extraction	26	70	35
Booth (inflated)	140	140	185
1 x Domestic socket required			

POD-V2 Spray Tan System

Ideal for Elite Mobile Beauty Therapists, Salons & Spas

Fake Bake experts have been working with some of the UK's leading design and engineering consultants to create a versatile spray tan system that promises professional performance, efficiency and health & safety levels way-beyond conventional systems. Fake Bake has integrated unique HVLP spray tanning technology, extraction and filtration into sleek, simple to use units that can be transported easily and ready to use in seconds – ideal for mobile and home-based therapists or salons and spas that do not want to dedicate a treatment room entirely to spray tanning.

PATENT PENDING & REGISTERED DESIGN PENDING

POD-V2 Spray Tan System

Ideal for Elite Mobile Beauty Therapists, Salons & Spas

PRO Spray Gun

- No compromise design, created specifically for spray tanning
- Simple operation, no adjustments or set-up required (point & spray technology)
- New soft-touch rubberised, ergonomic grip stays cool & increases comfort & control
- Fixed HVLP nozzle emits wide, even spray pattern
- Quick-switch refill capsules enable you to swap liquids in seconds
- Consistent air & solution pressure from head-to-toe for even results
- No dismantling required for cleaning, simple rinse through
- Universal pilot between Spray Gun & Hose is easier to handle
- Trigger guard reduces risk of accidental spray
- Gravity feed reduces solution wastage

POD-V2 Workstation

- Robust, durable design
- Spray Gun docking station for ultimate convenience
- Holds up to 6 Refill Capsules (one included)
- Retractable hose is convenient & reduces clutter
- Revolutionary HVLP 'blow turbine' is quieter, more efficient & reliable
- Built-in storage drawer holds consumables
- Retractable 'luggage' handle and wheels for easy maneuvering
- Rubberised skid plate and pads protect surfaces
- Heat shield stops liquids warming up (so shelf-life is not compromised)
- Easy clean, corrosion proof surfaces
- Anti-vibration plates stop noise travelling

Quick Switch Refill Capsules

Fixed HVLP Nozzle

Pivots 360°

Quick release retractable hose

POD-V2 Extraction & Filtration

- Unique filtration set-up (machine washable) stops room contamination
- Simple filter replacement – simply hold in front of extractor, filter is sucked into location
- New centrifugal extractor fan draws more air and creates less noise
- Down draft extraction angled & positioned for optimum draw, especially from client's face
- Compatible with inflatable pod or can be used on its own (used with bag filter - not shown)
- Front filter cover stops mess whilst being transported
- Rear storage can hold inflatable pod or consumables
- Padded shoulder strap makes carrying easy
- Easy clean, corrosion proof surfaces
